Dear EduNet members,
dear guests interested in our network,

time is progressing and the next big EduNet event is approaching, the European Annual EduNet Conference 2015.

As already announced, this year´s European Annual EduNet Conference 2015 will take place from June 15-17, 2015 at Óbuda University in Budapest, Hungary.

The conference will offer you a forum to exchange opinions about current developments in the field of automation technology.
In addition, the targets of the EduNet Initiative for the coming 12 months regarding projects, equipment and communication within the network will be passed.
Therefore, we kindly request every member university to send at least one representative to the conference.

Technology and communication topics this year :

- Network related lectures and workshops of EduNet members
- Lectures and workshops regarding

· · · · ⇨ · · · ·Industrie 4.0
· · · · ⇨ Practice-oriented qualification in the university sector (laboratory concepts)
· · · · ⇨ EduNet communication 4.0

- Laboratory tour in the laboratories of Óbuda University

The conference is structured as follows:
