New Automation Award 2015

**Inspire us with
your ideas!**

Inspire us with your ideas!

Would you like to shape the future of automation technology?

Project teams from all general education schools, vocational schools or from universities and training departments are approved for the competition

Would you like to take on this challenge?

Apply now with your automation solution and send us your project idea until 31 May 2014

You would like to put creative solutions into practice?

Phoenix Contact, the market leader in industrial electrical and industrial automation technology, will support you with the technical components, systems and know-how required for the implementation of your product idea
